

Photo and Media Opt-Out Form

The Holgate Local Schools are making a concerted effort to promote the positive activities, honors and work of our students and staff members. This includes working cohesively with local newspapers, radio and television stations. Additionally, the district produces print media and digital projects periodically utilizing the district's website. These publications may include information, likenesses, names and images of students.

Throughout the year there are many opportunities for Holgate Local Schools' students to be photographed, interviewed and identified by name, classroom or school. Some parents/guardians may request that we do not list the name(s) of their child(ren) with photos. Please complete the form below to inform us of your wishes regarding publicity.

Please Note: Your child's image or likeness MAY appear in candid photos without any type of name identification, and the use of these candid photos is permissible. Additionally, this photo release form does not apply to photographs taken during extra-curricular activities by newspapers. The district cannot control that situation.

If you wish to EXCLUDE your child's photograph or image from district-controlled use, please indicate below and mail or bring this form to your child's school by September 5, 2014. You may list all children in your family on one form.

You have granted the district permission to publish your child's photo unless this form is returned. You do not need to return this form unless you wish to exclude your child's photo. Please call your child's principal if you have any questions.
