Teacher Requests for 2023-2024 school year

At Holgate Elementary, we are already building our 2023-2024 class lists. The staff create these lists based on an in-depth knowledge of the staff and students. Requesting a specific teacher may be accepted based only on student need. The school reserves the right to ensure we have a balanced class size and meet all students' needs; therefore, not all parent requests may be granted. Parent requests must be in writing and turned into the office no later than May 1, 2023. Any requests made after May 1, will not be accepted. When grade cards are mailed for the fourth quarter, the teacher for the following school year will be listed on the back of the grade card.

Kindergarten Clinic for 2023-2024 School Year

Phone: 419-264-5231

Parents of students who will be five years old on or before August 1, 2023 can call the office to pick up the registration packet for Kindergarten. Completed paperwork is due back in the elementary office by Friday, March 31st. Once all paperwork is turned in, an appointment will be scheduled for clinic. Kindergarten Clinic will be held at St. Peter's church on Friday, April 28 by appointment only.

Preschool Screenings

Parents interested in preschool for their child should call the Northwest Ohio Educational Service Center at 1-567-444-4818 to schedule an appointment. All children ages 0 to 5 years are welcome to attend. (Screenings are not for children who will be entering kindergarten or currently enrolled in preschool through your local school district.) Appointments are required. All preschoolers must go through the screening process to be considered for preschool classrooms for the 2023-2024 school year.
